

Zephyr Contracts Limited

Guardian Glazed Screens with Blinds

- All Guardian glazed screens come with a full 2 year warranty and are available with Ash, Maple, Walnut or American Oak timber frames
- Completely maintenance free – fully integrated system, protected from moisture, damage and dust.
- Stylish and safe design with no external cords making them ideal for public buildings, especially hospitals and schools.
- Tested and compliant to BSEN 1279 parts 1-6 and CE marked – all units are also sealed Argon-filled high performance.
- A wide range of glazing options available to improve energy ratings / lower U-Value, reduce sound penetration or a 30 or 60 minute fire rating
